# Modern Slavery Statement 2026

This modern slavery statement is made under the Modern Slavery Act 2018 (Cth) and addresses each mandatory reporting criterion for the reporting entity.

Our supplier code of conduct prohibits forced labour. Due diligence includes a risk screen of every new supplier and an on-site supplier assessment for high-risk categories.

Our human rights policy applies across our operations and supply chain. Workers can raise concerns through an independent grievance mechanism, and remediation is overseen by the Chief Risk Officer.
